Rick Britton

HOA PRESIDENT

My family will be relocating outside of Eagle Crossing to assist an aging family member and so my time on the HOA board has come to an end.

I wanted to take a moment to express my heartfelt gratitude for allowing me the privilege of serving our community. It has truly been an honor to work alongside each of you in maintaining our neighborhood's vitality and cohesion. Together, we have tackled challenges and made improvements that make our community vibrant and welcoming.

I have every faith that the current board members, with Richard Wagner as the new President, will continue to serve with integrity and dedication. They truly care about our neighborhood.

I want to extend my best wishes to each and every one of you. May your community continue to thrive for all who call it home.

With warm regards,
Rick Britton

Amenities UPDATE

UPCOMING PROJECTS

Last year the trail in Silverleaf was repaired and looks fantastic! Both pool houses have also been repaired and repainted. There will be additional repairs to the actual pools made before they open in May. Shelters will be installed at the Dog Park. Plans are in place for each playground to be completely renovated and exciting new play equipment and picnic benches to be installed. These updates ensure that Eagle Crossing will continue to be a great neighborhood for families to call home for many years to come!
